

Changes to Ontario Auto Insurance Give You More Choice

On June 1, 2016, changes to auto insurance in Ontario will give you more choice and control over your insurance and premiums.

Statutory accident benefitsⁱ are changing, and new optional accident benefit choices will be made available to allow you to customize your policy to suit your individual needs.

The choices will give you greater influence over the price you pay for insurance. The cost of your policy will vary based on the coverage you purchase.

Stay tuned for more information

Contact the insurance representative identified on the material from the insurance company enclosed with this document.

What's Next

The reforms and new choices take effect **June 1, 2016**.

Your policy won't change until it is time for it to be renewed. When you receive your renewal documents you will also be provided with more information on the changes and your new options. This will help you make an informed decision.

After June 1, 2016, you can choose to make changes to your existing policy to take advantage of the new levels and options, without having to wait for it to come up for renewal.
